[1] Although BLMIS Customer Statements reflect that a larger transfer was made into the account on this date, a portion of the "transferred" funds consisted of fictitious profits which were never achieved and thus could not have been transferred. Accordingly, only the principal remaining in the originating account was transferred into this account on this date.

[2] Amounts withheld from account holders and paid by BLMIS to the IRS on behalf of account holders during the six-year period prior to the filing date have not been deducted from the balance of principal as those amounts have subsequently been refunded by the IRS.
